

CHRIS CAIRNS
FOUNDATION

18 November 2011

To Whom It May Concern

This letter is in support of the Rimutaka Incline Rail Heritage Trust.

In my capacity as Chairman of the Chris Cairns Foundation, I oversee the implementation of a key component of any rail corridor safety.

Like the trust members involved in the Rimutaka project, the Chris Cairns Foundation would not survive without the passionate support of volunteers. The trust's members have begun creating what will be a superb addition to the Wellington tourist scene.

Co-existing with walkers and cyclists, this rail heritage movement will only add value and allow thousands of people to enjoy the quintessential significance of this Maymorn to Summit journey.

Yours sincerely

A handwritten signature in black ink, appearing to read 'CC Cairns', with a long, sweeping horizontal stroke at the end.

Chris Cairns
